FRANKLINITE

Your flag and my flag,
And how it flies today
In your land and my land
And half a world away!
Rose-red and blood red
The stripes forever gleam;
Snow-white and soul-white—
The good forefathers' dream;
Sky-blue and true-blue, with stars to
gleam aright—
The gloried guidon of the day, a
shelter through the night.
—Wilbur D. Nesbit

THE FRANKLINITE

1958

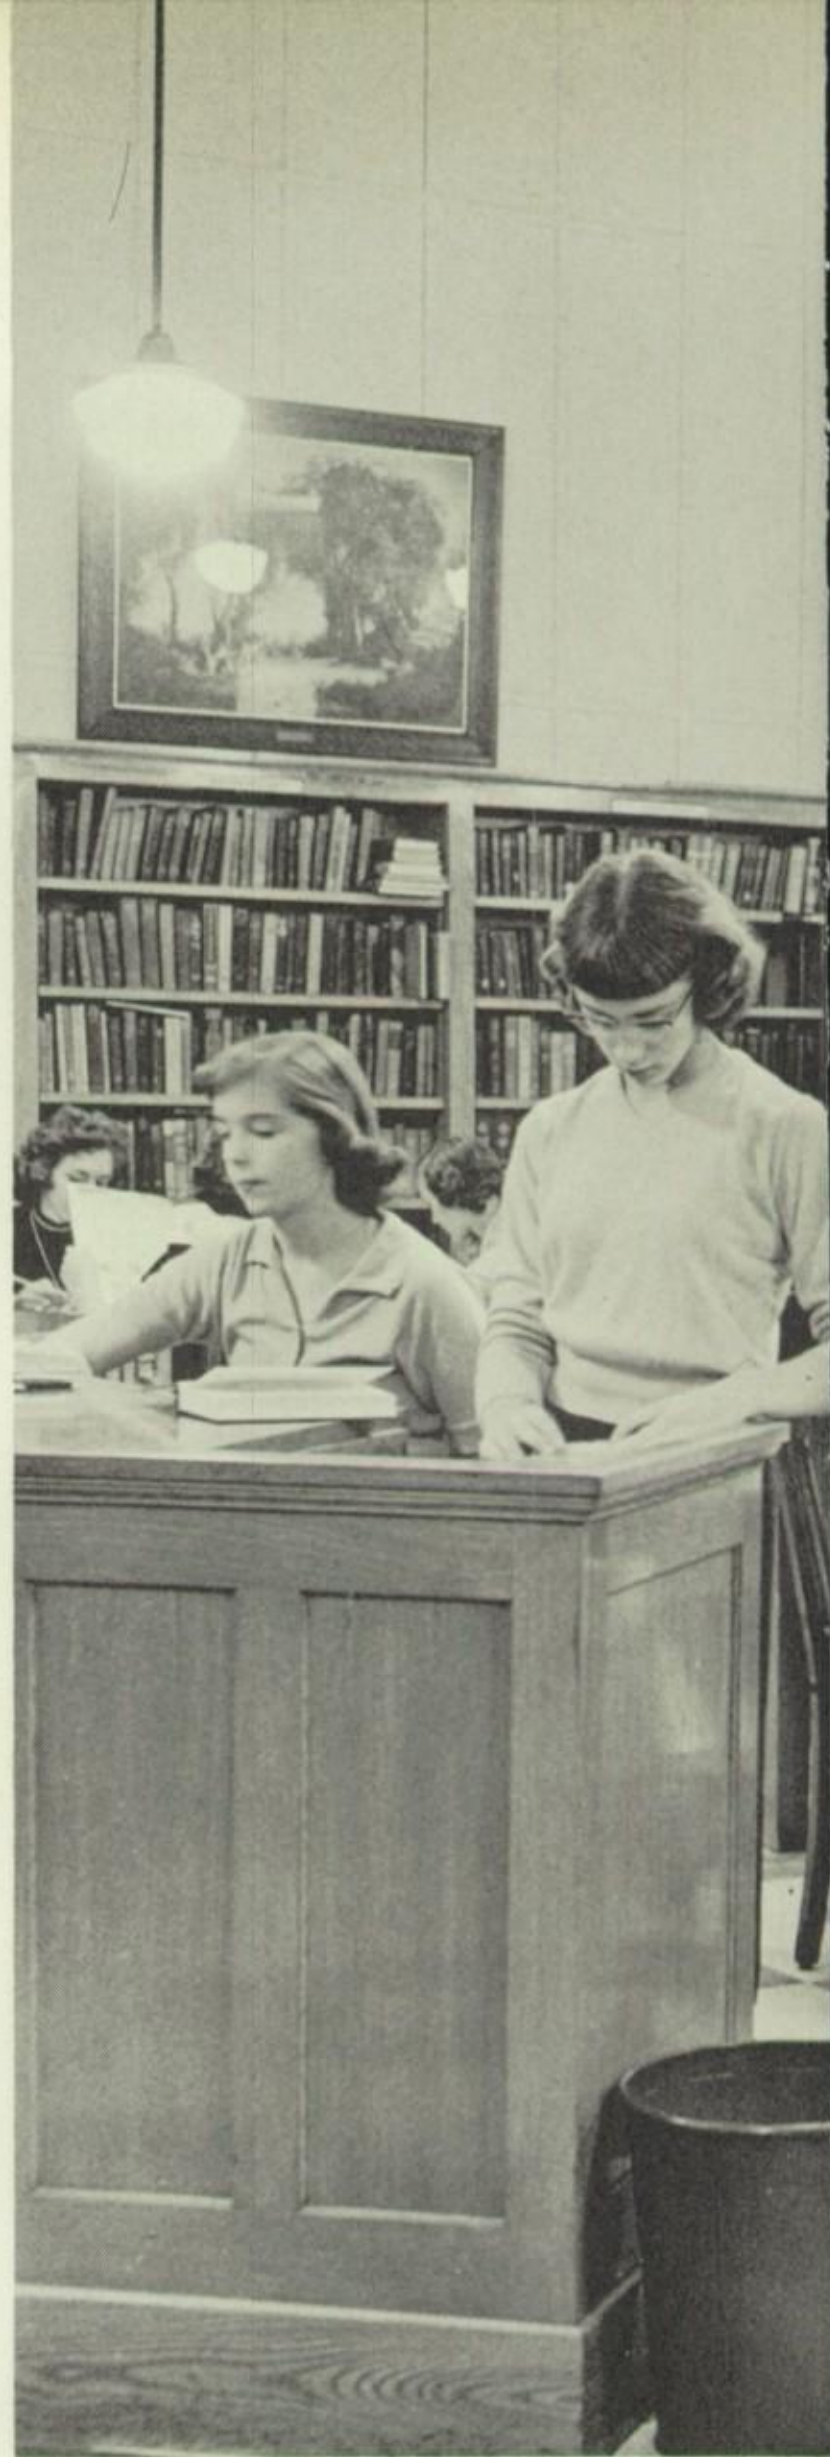

FRANKLIN HIGH SCHOOL FRANKLIN, PENNSYLVANIA

Our city and the adjoining area have shown again and again that it wants us to have the best available and to lack nothing in the way of educational needs and equipment.

Our educational leadership is of the best, trying to look ahead, to adjust the tax load, to make a sound budget, to arrive at the greatest good for the greatest number.

We can study anything from ancient Latin to modern machines. We can prepare for college, train for a vocation or take a general course. We appreciate our opportunity, the interest our city and adjoining area have taken in us. We try to deserve it all and make good use of it.

TO THE CLASS OF 1958

While the end of the school year marks the termination of your high school careers, it also means that you are on the threshold of a new life in an ever-changing world. Your high school days, through your experiences in education, have given you foundations in good citizenship, fair play, perseverance, and a desire to make the world a better place in which to live. Every person must realize that life requires cooperation on the part of all individuals. The successful person must believe in the Golden Rule, and practice it in his life.

My best wishes for the Class of 1958 is the hope that each of its members may live such a life that this world will be a little better, which will be true success.

John R. Haubert
Superintendent

To the Class of '58

1952-1958 . . . years of work and play. Classes — extra-curricular activities — dances — plays — football — basketball — conferences — all toward the development of mental and physical capacities and the attainment of moral values.

May you treasure the memories of Franklin High and may your attainments and citizenship be of the highest.

Board of Education

Seniors at last! The senior year is the goal of every high school student — the senior year with its opportunities for leadership, service, advancement, its time of recognition and honors.

But in a larger sense, the senior year is not a goal in itself, but an exciting highway leading to the life ahead. Graduation is not the end of the road: It is a crossroads from which many inviting, and challenging pathways lead out into the world.

As seniors we leave with regret, with respect and admiration for our school, with warm affection for the friends we have made, and with gratitude for the life lessons we have learned.

Dedication

DEDICATION

It is to you, Mrs. Burket, that we, the class of 1958, dedicate our yearbook. The patience, cooperation, enthusiasm, and humor that you have given us will never be forgotten. To you, from all of us, we say, "Thank you."

In working with us on our numerous class activities you have devoted much of your time. We are grateful for your guidance, for it was your efforts that made our class a success. You helped us more than anyone else, and we would have been lost without you. Again we wish to say "Thank you."

Class History

Twelve years ago we began a journey toward the goal we have now attained, graduation and our entrance into the adult world.

This journey began in grade school when our teachers tried to direct our young eager minds toward the right paths,

We made some headway during our first six years, but we really began to travel when we became seventh graders. We found Junior High to be a new and fascinating experience. Eighth grade was next and another portion of our journey was completed. When we were Freshmen many of our boys went out for junior high football and basketball. Several of our girls were chosen as junior high cheerleaders. Now we felt that we really belonged.

As we traveled on into our Sophomore year, we felt we were finally getting somewhere. We were lucky enough to have Mrs. Burkett as our class advisor, and through these few short, but wonderful, years she has been our guiding star. As Sophomores we chose our class officers. Roy Blair was president, Roberta Miller was vice president, Helen Burrell was treasurer, and Terri Jones was secretary. "Deep Purple" was chosen as the theme for our Sophomore Dance, which was enjoyed by everyone. The walls of the gym were artistically decorated with large instruments and dancing couples in silhouette. Also, in that year, we sold basketball pencils, pom-poms, and candy at the plays and Broadcast. At the close of the year, a committee chose our class rings.

In the fall of 1956, we entered our Junior year and we were well on the way to attaining our goal. The Junior administration underwent a slight change. Mike Marshall, Roberta Miller, Terri Jones, and Helen Burrell were elected to the offices of president, vice president, secretary, and treasurer respectively. This was our busiest year. Selling pop and candy in the concession stand at the basketball games was fun. One of our next ventures was the selling of stationery. A lot of hard work went into the preparations for our Christmas Dance, "Snowflake Fantasy." After this brief pause we continued on our journey. Our next signpost was "The Remarkable Incident at Carson's Corners," which was the title of our Junior play directed by Clinton Perrine. Last but by no means least of our achievements as Juniors

was the Junior-Senior Prom, "Enchanted Evening." We will always remember the yards and yards of pink and silver streamers and the hundreds of home-made flowers. The walls were transformed into a romantic garden scene complete with a fountain and dancing couples. Our destination was in sight as we ended our Junior year.

After a carefree summer vacation, we entered our biggest and best year. We were now Seniors. The same officers led our class, this time on the last leg of our journey. One of our first projects was selling Christmas cards. At the conclusion of the football season, a special half-time show was presented honoring the Seniors in the Band. Barbara Montana was chosen our queen and her attendants were Gayle Patterson, Shirley Phillips, Rita Vroman, and Peggy McDowell. Then we traveled further and came to a sign which read "Dr. Hudson's Secret Journal." This looked interesting so we stopped long enough to present our Senior play, again under the direction of Mr. Perrine.

After an enjoyable Christmas vacation, we returned and, before we realized what was happening, we were in the very last semester of our Senior year. The finals, perhaps the most cherished memories we shall ever have, included the Prom (this year in our honor!), the picnic, baccalaureate, and our banquet. Ending this last mile was commencement—a brilliant milestone.

This was the end of the road — in a manner of speaking. Yet, what lay ahead was the beginning of our journey into a mature and somewhat frightening world. All through our school years, each time we learned something new our goal had become closer, although we hadn't realized it at the time. As we looked ahead, our Senior year seemed very distant and unreal; but, as we look back, the twelve years seem to have flown by too rapidly. Wasn't it only yesterday we enrolled in first grade? No, we are graduates! We must take our place in the world as adults. An example must be set for the students who are still traveling that long road which is called Education. Who must set that example? We must — for we are no longer the citizens of tomorrow, but the citizens of today.

CLASS PROPHECY

DATE: June 4, 1988

PLACE: Mohneyville, U. S. M. (United States of Mars)

EVENT: The 30-year reunion of the Class of 1958

SUBJECT: The successes (?) and failures (!) of the class members.

Let's turn on our transistor T. V. and look in on the reunion.

See that big hunk of white cloth over there? That's MENACE REAGLE who just parachuted from a space ship.

JANE DICK, JANE LAZO, and DOROTHY LOWERS have finally trapped their men into marrying them.

JOE LAWSON is still driving his blue Ford. He doesn't believe this "space age" will last.

EDITH HENDERSON, KITTY SHILLIDAY, and PEG SHOAF have their own cigarette factory to keep themselves supplied.

TERRIE LEE decided to stay in Oil City, Pennsylvania, U.S.A., because she couldn't get anyone to baby-sit with her kids.

The following could not be with us today because of the strict rules at GOODY GOODY SABOTA's Prison, where he is warden: "DIRTY DICK" RICE, "TERRIBLE TINY" LUPPINO, "JAILBREAKER JAN" SNYDER, "MURDERIN' MABEL" McDANIELS, "ROBBER RAY" BURKE, and "BAD (REAL BAD) BONNIE" SHEASLEY.

MARILYN MILLER teaches mathematics at SALLY GIBB's Nursery School. Sally supplies all the students herself.

BOB HARRAH is trying to find a space ship that will go fast enough to suit him. His present one only goes 3,000 miles per second.

MARILYN CANON is head cheerleader for the Mohneyville Six: BARBARA BEIGHTOL, JOYCE MILLER, RENEE HOOVER, ETHEL HOLLAND, SARA STOUP, and GEORGIA STEFANAKOS.

DANNY AMON is a janitor at the local Art Museum.

Now we are in TED VALESKI's Marriage Counsel Office. Waiting to see him are NANCY CARSON, MARILYN OAKES, ANNA STEARNS, and DIANE PERRINE.

The teenagers have a new idol, JOHN BREENE, who wiggles his eyebrows instead of his hips.

LOIS RODAHAVER is still climbing the steps from the Mechanical Drawing Room.

ED SNYDER now drives the Tastee-Freeze truck.

SUE McCLELLAND is a missionary to Saturn.

DICK THOMPSON is head pea-picker on ERMA FELLNER's farm.

CAROL BROWN is not here today. That's what she gets for riding with the Keller Twins.

BILL NOGAR has invented a portable hall for him and his girl to hide in.

KATHY EAKIN has finally caught a man who didn't get away. She keeps him in a cage.

CHUCK BAUGHMAN and JOHN BEAN are tied for the title "Tallest Man on Mars."

MARY METZ is now 9 feet tall due to the fact that she has starched her hair.

JOHN ESHELMAN set up an ice-skating rink on the Polar Ice Cap.

RAY DEAL, DALE PHILLIPS, JERRY BAKER, BARB SNYDER, SANDY RICHARDSON, and NORMA THOMAS, the Super Sonic Six, are our singing entertainers for the day. Class Play

DOCTOR HUDSON'S SECRET JOURNAL

The stage of Franklin High School's auditorium took on the atmosphere of a hospital for a few hours when the Seniors presented their Senior Play, "Doctor Hudson's Secret Journal." Mr. Clinton Perrine directed the production, which told the story of a doctor who gave up things for himself in order to help others. The play was well cast, and the cast members gave the audience good portrayals of their parts. Especially outstanding were Bill White, as Doctor Hudson, and Penny Schultz, as his receptionist, who added much to the hospital atmosphere. The Class of 1958 was well pleased with the success with which the efforts put forth by the cast, prompters, Mr. Perrine, the make-up department, the ticket committee, and all others concerned with the play were rewarded.

Courtesy Club is a group of Senior High girls chosen by their advisor, Miss Wright. The girls usher at the Senior and Junior plays, the Musical Broadcast, and Commencement. This year they were guides for open house at the High School. Poise and good grooming are two necessary requirements for being selected to join the club.

The underclassmen play an important part in the operations and activities of our school. Dances, assemblies, and plays are a few of the varied activities which have provided many memorable occasions.

The achievements and goals of each class will remain as an imprint in the history of Franklin High School. And above all, the determination of each class to meet these goals will long be remembered.

After hours . . . Our social life is very important because living and working together, learning to get along with each other, are fundamentals of education.

Working together with a common purpose for others less fortunate or just for fun gives a deep feeling of accomplishment and satisfaction. One compelling reason why we try to make everything we undertake the best ever is that we have such pride in our school.

The Student Council is made up of two representatives from all the homerooms in the building. They meet weekly with Mrs. McQuaid and Mr. Pixley, their advisors. The Student Council carries on the annual candy sale, takes care of lighting the candles in the windows of the school at Christmas, sponsors a Career Day for students from the ninth to twelfth grades, has a junior high welcoming dance, and has a Sadie Hawkins dance. They are working on a student handbook which contains a code of ethics. This year they sent several representatives to a Safe Drivers Conference at Edinboro State Teachers College. Money earned this year will be used for trophy cases and a foreign exchange student.

The Franklinite Staff is made up of seniors and juniors chosen by the previous year's staff. It is their job to put out the yearbook. An advertisement campaign is carried on early in the year to secure a portion of the money needed to put out the book. This year the staff painted the Honor Society Room, and in return they will have half of it as a permanent headquarters for meetings and for work sessions. Later in the year the subscription campaign is carried on. Then the staff is divided into committees, each working on its assignment. The yearbook is put together and students receive it during the last weeks of school.

Soon after the football season is over the marching music is put away and the band becomes a concert band. Strains of many concert compositions are heard coming from the band room. Homecoming Queen Court

The dull thud of shoulder pads slamming against one another during a tense situation in a football game; the swish of a basketball splitting the cords for two points; the crack of the mat as a wrestler is downing his opponent are all symbols of the important part in our school life played by athletics.

Using a highly developed formula of rugged practice, a strong determination, friendly sportsmanship, and a dominant fighting spirit, Franklin's varsity teams provided a threat to their league.

Support of the cheerleaders, pep clubs, students and townspeople was instrumental in achieving success. Well equipped, fully developed health and education courses required of all students give a varied and full offering of sports and training to every individual.

In Memoriam

IN MEMORIAM

In school life as in life itself tragedy strikes and leaves us with an emptiness and feeling of remorse and doubt. This year it was as if a chill wind swept our school with the news of John Nicklin's death. It is in tribute to him that we pause in reviewing our school year and give thanks for the fine and ever-lasting impression he made on our lives.

"The soul is like the sun which to our eyes seems to set in night; but it has in reality only gone to diffuse its light elsewhere."
